

Activity #5: Visit the Classroom
Section 2: About Letter Knowledge

Use this handout to take notes while watching the Section 2 videos.

- How does Angel introduce the children to the alphabet, and why is it important for them to grasp the concept of alphabet?
- Why are names so important to children who are learning letters? How does Angel incorporate children's names into her read alouds and transitions?
- At what point does Angel introduce the children to upper- and lowercase letters? How do her children typically develop the ability to use both cases?
